WORLD'S RECORDS GO GLIMMERING

Samuelson Lowers the Three-Mile Mark.

George Collett Makes Beautiful Ride, but Loses Race.

Redman Brothers Take Most of the Amateur Prize Money at the Salt Palace.

"Pedlar" Palmer, the Australian speed merchant, won the three-quarter mile handicap race for the professionals at the saucer track last evening in the record-breaking time of 1:22 2-5. The time will not stand as an official record, however, for Palmer received a handicap of eighty-five yards. The race, however, was a pretty one and was one of the most keenly contested events of the evening.

Collett's Great Ride.

The ride of George Collett from scratch was the feature of the race. At the crack of the pistol, the brown-legged New Yorker started after his competitors at a clip that was little less than heart-breaking. On the first lap he overhauled Downing, who received a poor start and was unable to get his stride. "Dutch" Hoffman, riding from the thirty-five yard mark, was captured at the second turn and then came the grind to overtake the limit men. Riding close to his handle bars to cut the breeze and with his legs working like piston rods, Collett slowly but surely cut down the distance and tagged the bunch at the bell lap. The fearful pace had told on the Easterner, however, and he lacked the necessary ginger to outstrip his rivals at the finish. Palmer crossed the tape first, Chapman second, Hoffman third and Collett fourth. The time was 6:45 seconds faster than the former record of 1:23, held by Chapman.

Samuelson Breaks Another Record.

Billy Samuelson clipped ten seconds off his own world's record for three competition miles last evening, covering the distance in 6:11 flat. Hoffman was second, Achorn third and Hollister fourth. Jack Sharp, the N. C. A. representative gave instructions to the riders to eliminate team work and each man was compelled to go it alone. The order brought forth good results for the race was much more fiercely contested. Iver and Carl Redman won the tandem race hands down. At the end of the first mile this team lapped the others and rode in first without a struggle, capturing the prize money and most of the lap rewards. Iver Redman surprised the amateurs in his half-mile open race, when he stole a winning lead two laps from the tape. Redman made his bid early and was well in front before the other riders "got wise" to his plans. Agraz and Heagren made a desperate attempt to beat him out, but in vain. Redman was first, Agraz second and Heagren third. Time 1:02 1-5. The team pursuit race went to Staver and Hollister. "Baldy" made a

BUTTE SAVED BY RAINSTORM.

Spokane-Butte Game Called in the Fifth Inning.

Special to The Tribune. BUTTE, Mont., July 12.—A heavy down-pour of rain stopped the game in the fifth inning, saving the day for Butte. The score was 4 to 3 in favor of Spokane, who tried to get through the fifth inning to make the game. The developed a peculiar state. Butte tried not to put out Spokane and Spokane tried to get out. The rain fell in torrents and further attempt was useless. It was a good game to the fourth inning, when honors were even. It was too dark then to judge well and the visitors piled up five runs. Sporer and Drinkwater were in the box. There were several times on account of monkey business in the fifth.

Results in a Draw.

LONDON, July 12.—The cricket match between Haverford (Pa.) and Winchester colleges resulted in a draw, as it was unfinished at the close of today's play. In their inning yesterday Winchester scored 48 runs for eight wickets and this morning the Americans were sent in to bat. They made 13 runs in their first inning and 52 runs for nine wickets in the second. Norris carried his bat for 147 runs, pretty sprint at the end of the first half-mile overhauling Palmer and Emery without trouble. Stevens and Gunn made a feeble resistance, but were overtaken fourteen laps out. Time 2:52 2-5. By breaking the world's record last evening Samuelson won the gold medal offered recently by Manager Sam Porter of the Kenyon hotel to the first rider to lower a world's mark.

Caddies' Golf Tournament.

The second day of the annual caddy tournament at the Country club was productive of some close matches and excellent scores. The match of the day was between Leslie Evans and Harry Crane. They were even up and one to play when Evans knocked his ball over in the trees, with the result that Crane captured the hole and the match.

The winners of yesterday's games were Harry Crane, Harry Beveridge, Merton Reed, Vester Lauby and Lawrence Standing. The first four named will play again today. Lawrence Standing drew the lucky straw and waits over until Thursday, when the trio will play again to settle the question of championship. Three of the winners of yesterday's matches are scratch men, two are handicap players. Young Standing, otherwise known as "Peanuts," is still in the contest with a handicap of 15, and from present appearances it looks as though he had fair chances of winning. Young Standing is only 12 years old and is the smallest caddy in the tournament, but he handles the club like an expert.

The scores of the winners in yesterday's matches are as follows: Harry Crane, 22; Harry Beveridge, 46; Vester Lauby, 50; Merton Reed, 48; Lawrence Standing, 55. The winner of the tournament will receive a gold medal from F. B. McGowan. A number of other prizes have also been offered by Mr. Holman, who is chairman of the greens committee.

The caddies have paired up as follows for today's contest: Harry Crane and Beveridge; Merton Reed and Vester Lauby.

SCROFULA

Swollen glands, tumors, white swelling, sores, pustular or scaly skin eruptions, flabby muscles, brittle bones, weak digestion, emaciated, ill-nourished bodies, are some of the well-known earmarks of Scrofula. Scrofula is inherited. Parents too closely related by the ties of blood, or tainted with consumption or blood poison, may look for signs of Scrofula in their children. The middle-aged often have it, but children are the chief sufferers. Scrofula breaks down the vital forces, and the blood becomes so weak and poor that it does not nourish the body. The remedy in all scrofulous affections must be one that purifies the diseased blood, builds up the weak digestion, increases the appetite and gives new energy and strength to all life's forces. No medicine has won so much fame as a blood purifier as S. S. S., and its tonic effects upon the system are not equaled by any other remedy. It makes the weak, tainted blood rich and strong, and drives out of the circulation all tubercular deposits and morbid matter that cause the glandular swelling, sores, abscesses, tumors and other horrible symptoms that make Scrofula so dreaded and dangerous.
